

## **PRACTICE & GAME SCHEDULES/FORMS:**

Students are given parental permission forms and team contracts that must be returned before participation is allowed. Games schedules are supplied to parents as soon as available and are posted at the following locations;

1. TWS Website
2. Athletic Council Bulletin Boards – Large gym and top of high school stairs
3. Grade 7&8 Classroom Bulletin Boards

**ALL BOYS' LEAGUE PRACTICES AND GAMES ARE ON MONDAYS, WEDNESDAYS AND SOME FRIDAYS**

**ALL GIRLS' LEAGUE PRACTICES AND GAMES ARE ON TUESDAYS, THURSDAYS AND SOME FRIDAYS**

Games are held at both TWS (home) and other participating schools (away). For away games students usually leave the school at 2:45 pm (missing 6th period class). A chartered bus or taxis are used for transportation.

In order to participate on a team, players must return their **SIGNED** permission form and team contract by the stated due date (phone/verbal permission will not be accepted).

Students are also required to inform the coach or Athletic Director, by phone or e-mail, if they will not be attending a practice or a game and the reason for the absence. Missed practices may result in a player not participating in the next game. Please see the document TWS 2018-19 TEAM CONTRACT regarding goals, players' and coaches' roles and responsibilities regarding practices, conduct, preparation, uniform and playing time.

## **GRADE 7 STUDENT PLAYERS AND SPECTATORS:**

Grade 7 students and younger are welcome to watch home games when actively supervised by a parent. Students must be picked up from TWS immediately following the sports event, or join the After-School Program at no charge. Grades 8-12 spectators are welcome and encouraged to cheer our teams. No child may be supervised by a student who is playing on a team.

Grade 7 students playing on teams must be picked up immediately following the event. Anticipated times for home games are listed on the players' detailed schedules; players return from away games between 5:30 and 6 pm (basketball) and can be as late as 6:30 to 7 pm (volleyball).

## **GYM ETIQUETTE FOR PLAYERS AND SPECTATORS**

TWS Sports Program asks that all players and spectators follow the Code of Ethics (please see document Code of Ethics for Players and Spectators). Please do not bring any food or drink other than water into the gym. Please remove all street shoes, boots before entering the gym and adhere to running shoes only on the gym floor.

All practices are closed to spectators, including parents, siblings and other students. If you are waiting to pick your student up please wait outside the gym until practice is finished. Benches are available outside the big gym hall windows and chairs are available in the lower foyer.
