

SUMMER CAMP 2017

Where children come to play and explore

What to Bring to Summer Camp – Primary and Junior Camper List

As we are a true summer camp we will spend a lot of time outdoors, so please make sure your children are prepared for the day. If you want them to wear sun block or insect repellent please put it on before camp every day. We avoid the peak sun hours most of the time and wear hats all the time to protect the children. When they are well prepared they can relax and enjoy the days of summer.

Please mark ALL your children's possessions with their name.

Junior Camper required items:

- Sun hat with brim all the way around. This is a must, we have extra if you forget.
- Sunscreen (if you wish your children to wear screen in the afternoon)
- Small Stainless steel water bottle
- Indoor slippers with soles that have a good grip
- Rain coat (e.g. Mountain Equipment Co-op or My Child Myself)
- Rain pants (also Mountain Equipment Co-op or My Child Myself)
- Rubber boots or crocs
- Small plain-coloured pillow
- Small sleeping bag (plain colour no images please). Each day the Junior campers have a rest. This starts with a story, then the children have some time to rest quietly. This is a very important part of their day as it gives them some time to digest the activities of the morning and allows each child a short rest from social interaction.
- Cloth bag big enough to put the pillow and sleeping bag in
- Sweater for cooler weather
- Spare clothing packed in a back pack including: (please check daily)
 - two pairs of extra underwear
 - two pairs of extra socks
 - one pair of pants
 - one pair of shorts
 - one tee shirt
 - one long sleeved shirt
 - one swim suit
 - one towel
