

SUMMER CAMP 2019

Where children come to play and explore

What to Bring to Summer Camp – Senior Camper List

As we are a true summer camp we will spend a lot of time outdoors, so please make sure your children are prepared for the day. If you want them to wear sun block or insect repellent please put it on before camp every day. We avoid the peak sun hours most of the time and wear hats all the time to protect the children. When they are well prepared they can relax and enjoy the days of summer.

Please mark ALL your children's possessions with their name.
