

Join in.

Whether you are looking to engage your mind, connect with other parents, or discover your artistic side, we invite you to join the TWS community events.

TWS is committed to deepening connections within the school community as well as the broader community in which we live.

Celebrate at one of our time honoured festivals, experience the warmth of community during a social event, or take in a session from our speaker series.

Our doors are open and we look forward to seeing you!

*Unless noted, all listed events are free of charge and open to the public

Spatial Dynamics

With Jonathan Snow

In a Waldorf school, spatial dynamics refers to an essential aspect of the educational approach. It involves integrating movement, artistic expression, and learning experiences to enhance a child's understanding and connection with the surrounding space and environment. Come and learn more as you move with the group and experience something different!
